Many couples choose to have their marriage ceremony preformed on the boat. If you are contemplating a ceremony on board, please consider the following information.

Boat Sizes & Minimums

The boat rental agreement has certain minimum requirements regarding food and passengers. The minimum means you will pay for your chosen menu plus boat rental for the minimum amount of people required. Be mindful of your final group tally, often it is a smaller number than your full guest list. We do not guarantee food and boat minimums until the year of your event.

If your wedding ceremony will be on the boat, you will need to hire your own minister or judge. If you hire a local Judge, they do not usually stay on the cruise. They perform the ceremony at port and depart the boat prior to take off. (Please call for a contact list for local Judges)
